

“

The **government** should foster my well-being. It's my **right**.

I **contribute** to the well-being of my community. It's my **duty**”.

I FULFILL MY DUTY WHEN:

-I **protect** and make good use of my country's **natural resources**

-I go to **court** as a **witness** to tell the whole truth.

-I **evaluate** the government's actions to make sure they do things correctly.

When I grow up...

-I **take part** in the selection of my **representatives** and cast my **vote**.

-I **contribute** with my economic resources to pay for the **public services** of my community.

-I collaborate with the **court** as a **juror** to help it do justice.

I WILL FULFILL MY DUTY WHEN:

“

We are born with **rights** and grow up with **duties** for the **well-being** of myself, my community and my country”.

My duties

“

My **dignity** is to be respected.
It's my **right**.
I respect the dignity of
other **people**.
It's my **duty**”.

I FULFILL MY DUTY WHEN:

I treat people **equally**,
regardless of their religion,
their color, their social status,
their birth, their sex or their
way of thinking.

-I respect the **privacy**
of others.

-I go to school to **educate** myself
to the **maximum** of my abilities.

-I **express** myself
in the way that I want
about the things
that affect me and
participate in the
discussion of the issues
that affect us all.
